SUDDEN DEATH IN CITY JAIL.

Isaac Sloan Found Cold in Death From Apoplexy-Inquest Will be Held.

WEBER COUNTY FAIR AWARDS.

Close of Creditable Exhibition-Junction City News-Funeral Services.

Isaac Sloan was found dead on the floor of the city jall yesterday morning when Jailor Snyder made his regular rounds to see how many there were in the jail for breakfast. Death, it is supposed, was caused from appoplexy, superinduced by heavy drink, but a coroner's inquest will be held Tuesday morning to investigate the actual cause of the man's death.

Late Saturday afternoon as Detective Pender was passing down the alley at the rear of Carr's drug store, he saw a man put out of a barber shop with considerable force. Mr. Pender went up to the man and found that he had evidently been struck a heavy blow on the right check bone, skinning the cheek and blackening his eye. He staggered badly. The officer asked him where he got the blow, to which he repiled, he supposed in the barber shop. His face was bleeding profusely, and the detective decided to take him to the station to sober up. On the way over he became so weak and staggered so badly that a wagon was secured to take him to the station. He gave his name as Isaac Sloan. In his pockets were found \$15 in cash, a silver watch and chain, and a red note book, which had as one of the notes: "I stopped with George E. Ferrin over night July It is supposed George E. ACCIDENTAL POISONING.

Sheriff Harmon and County Atty. Anderson went to Pleasant Grove, yester-day to investigate the death of A. G. Benson, who died there Saturday after an illness from cholera morbus but under circumstances that indicated poisoning. An inquest was held which dis-closed that he had been given some poisonous drug in a prescription in place of Rochelle salts, as the prescription called for. The druggist, Mr. Rigley, however, was exonerated as the poisonous substance was in a Rochelle salts bottle, and was identical in appearance with Rochelle salts, so much so that the doctor who prescribed, mis-took it for the salts. The druggist explains that it was in stock in the present bottle when he bought the drug store. Sheriff Harmon has the poiso and an analysis maybe made of it. dectors say it is some kind of antimoni al polson. Mr. Benson was 59 years of age and leaves a family.

INTERESTING FACTS.

For Nearly Every Man, Woman or

A short time ago we published an article recommending to our readers the new discovery for the cure of Dyspepsia, called Stuart's Dyspepsia Tablets, and the claims then made regarding the wonderful curative properties of the remedy have been abundantly sustained by the facts. People who were catitious about trying new remedies advertised in the newspapers and were finally induced to give Stuart's Dyspepsia Tablets a trial were surprised and delighted at the results. In many cases a single package costing but to cents at any drug store made a complete cure and in-every instance the most beneficial results were reported. From a hundred or more received we have space to publish only a few of the latest, but assure our readers we receive so many commendatory letters that we shall publish each week a fresh list of genuine, unsolicited testimonials and never publish the same one twice.

From James Yemmeisler, La Crosse, Wis.: Stuarts' Deyspepsia Tablets are doing me more good than anything I ever tried and I was so pleased at results that I gave away several boxes to my friends who have also had the sume benefits.

From Jacob Anthony, Portmurray, New Jersey: I have taken Stuart's Dyspepsia Tablets with the best results. I had Dyspepsia for syears and had taken a great deal of medicine, but the Tablets seem to take right a hold and I feel good. I am a farmer and lime burner and I heartily recommend to everyone who has any trouble with his stomach to use these Tablets,

From Mrs. M. K. West, Preston, Minn.: I have received surprisingly good effects from using Stuart's Dyspepsia Tablets.

At the close Prof. Lund announced that the music department would give concerts each Friday evening during the school year, and also that the university would have the use of the finest plano in the state in the near future. The instrument will be placed in the university by the Emerson Piano company, through the good offices of Bishop Thomas N. Taylor, who is now in the east.
